Transformative Keynotes That Move Audiences to Action

◆ Keynote (45–60 min)

◆ Breakout (30–45 min)

◆ Workshop (Half-Day)

◆ Virtual Available

01 Your Journey to Transcendent Leadership

The T.I.A. Framework for Authentic, Impactful Leadership

Based on her best-selling book, Adriana shares the transformative T.I.A. framework (Transcend, Influence, Ascend) that helps leaders move beyond limiting beliefs, create measurable impact, and elevate themselves and their organizations to new heights.

KEY TAKEAWAYS

- T.I.A. Leadership Framework
- Overcoming self-imposed limitations
- Building authentic leadership presence
- Navigating change with confidence

02 From Waste to Wisdom

What Waste Thought an Aerospace Engineer About Building Businesses That Last

What do a Boeing assembly line and a children's composting lesson have in common? More than you think. In this unexpected and deeply memorable keynote, Adriana draws from two seemingly opposite worlds, optimizing multi-million-dollar aerospace production systems and teaching children to turn kitchen scraps into fertile soil, to reveal that both disciplines taught her the same thing.

Available in English and Spanish – “De los Residuos a la Sabiduría.”

KEY TAKEAWAYS

- Nothing in your business is truly waste, only value not yet recognized
- Patience and systems thinking are the most underused leadership tools
- How to stop discarding people, strategies, and ideas prematurely

◆ Keynote (45–60 min)

◆ Breakout (30–45 min)

◆ Workshop (Half-Day)

◆ Virtual Available

03

AI & The Future of Work

🔥 HOT TOPIC

Leveraging AI While Keeping the Human at the Center

As businesses rush to adopt AI, the question isn't just 'what can AI do?' but 'how do we lead through this transformation?' Adriana combines her operational expertise with AI certification to help leaders navigate AI adoption strategically, enhancing human capability rather than replacing it.

KEY TAKEAWAYS

- Strategic AI adoption without losing human touch
- Leading teams through technological transformation
- Creating competitive advantage through AI
- Human-centered innovation frameworks

04

Conquering the Andes

Insights from the Trails of Northern Patagonia

Drawing on a grueling three-day trail race through the Andes Mountains, Adriana takes audiences on a visceral journey of resilience, determination, and perseverance. Through captivating storytelling and vivid imagery, attendees explore grit, adaptability, teamwork, and self-discovery in leadership.

KEY TAKEAWAYS

- Resilience under extreme pressure
- Grit, adaptability & teamwork
- Overcoming obstacles & embracing challenges
- Unleashing full potential in leadership

◆ Keynote (45–60 min)

◆ Breakout (30–45 min)

◆ Workshop (Half-Day)

05

The Latina Advantage

Turning Multicultural Perspective into Competitive Strength

As a Colombian-American aerospace executive who broke barriers at Boeing and led international teams across 25+ countries, Adriana shows how diverse leadership perspectives drive innovation and organizational excellence — positioning diversity as strategic advantage, not compliance.

KEY TAKEAWAYS

- Multicultural experience as a leadership strength
- Breaking barriers with authenticity
- Inspiring the next generation of leaders
- Diversity as a business growth strategy
